The documents will be the exclusive property of the state and all such documents must be immediately returned to the state by the grantee upon completion or cancellation of the award. To the extent possible, those works eligible for copyright protection under the United States Copyright Act will be deemed to be “works for hire.” The grantee assigns all right, title and interest it may have in the works and the documents to the state. The grantee, at the request of the state, shall execute all papers and perform all other acts necessary to transfer or record the state’s ownership interest in the works and documents.

B. Notification

If such a claim or action arises, or in the grantee’s or the state’s opinion is likely to arise, the grantee, must at the state’s discretion, either procure for the state the right or license to use the intellectual property rights at issue or replace or modify the allegedly infringing works or documents as necessary and appropriate to obviate the infringement claim.
